When you are done, add up the “a” answers and put that total on the “Gold” line below. The “b” total goes on the “Blue” line, “c” on the “Green” and “d” on the “Orange/Red.” The one that has the highest score is your main color personality. Some people will have two colors that are really strong, some may even have more. All that means is that you probably have elements of multiple colors in your personality, especially in different situations. You may be a strict disciplinarian at work, and a real softy at home. Don’t worry – I won’t tell!

Totals

a. Gold _____ b. Blue _____ c. Green _____ d. Orange/Red _____
